

Dear St. Paul Friends in Christ,

The New Year is upon us which means that our Annual Congregational Meeting is right around the corner! Please plan to attend this important meeting on Sunday, January 28. The meeting will be held in the sanctuary immediately following the worship service. The meeting will not be streamed as part of the worship service, so please plan to attend in person.

The meeting will include discussion and approval of a church operating budget for 2024. The congregation will be updated on progress made on topics such as the LEAD Journey and the solar energy project. We will also be discussing replacement of the rusty exterior door frame in the basement. Please consider taking a look at this door frame prior to the meeting.

On behalf of the Congregation Council and Pastor Paul,

Jeff Muthler

Council President
